

CLIFFORD ARRICK.  
Vice-President National City Bank of Chicago.

## EAGLETS.

Calvin F. Craig, the able president of the Mechanics & Traders State Bank, deserves great credit for the well deserved popularity of that big West Side institution.

Louis J. Behan, the well known lawyer and popular master in chancery, is frequently mentioned for a place on the Superior Bench. Every one who knows him believes that he would make a fine judge.

John M. Berry, one of the best known and highly respected citizens of the North Side, is frequently talked of for public office. He's a Republican in politics but while taking great interest in the success of his party could never be induced to accept nominations that he could easily obtain. Mr. Berry is one of the largest real estate owners of the North Side. One of his holdings is the big Berry Building at the southeast corner of Ohio and Orleans Streets.

The way to boost Chicago is to invest in Chicago real estate securities. You can't boost the city by giving your money to men to spend out of town.

Dominick Marubio, the well known North Side teaming contractor, is talked of for County Commissioner. His proven honesty and executive ability would make him a valuable member of the County Board.

John U. Smyth, the well known insurance man, with offices at 716 West Madison street, is one of the rising young men of Chicago. He is popular, able and energetic and is a booster for everything that makes for the betterment of this, his native city.

Owen O'Malley, popular former county commissioner and leading cigar dealer at 137 North Clark street, is making a good record as commissioner of the Forest Preserve.

Peter Reinberg has saved millions for the people as president of the county board.

William H. Lyman, the popular former senator and alderman, is at the head of the big public contracting firm of W. H. Lyman & Co.

Fletcher Dobyns, the popular master in chancery, is at the forefront in every movement for the betterment of Chicago.

Edward W. Everett, the well known lawyer, is frequently talked of for congress by his many political friends. He is said to have no ambition in this direction, but his popularity would cause his election to almost any office he was nominated for.

Harry C. Mohr, the popular manager of the Morrison Hotel, is a public spirited citizen who is always boosting Chicago.

U. S. Marshal John J. Bradley is the right man in the right place.

John W. Eckhart is one of the up-builders of Chicago.

Vincent E. Guarno, the well known real estate man, is talked of for county commissioner. He would make an ideal public official as he is honest and painstaking and thoroughly conversant with the needs of the public.

Joseph F. Haas has always made a good public record. He is a man of the people.

John U. Smyth, the well known real estate and insurance man, is always a booster for the west side.

Don't put your money on out-of-town boosting schemes. Just spend it in Chicago with Chicago people.

Corporation Counsel Ettelson and Judges Barasa, Crowe and Barrett, and E. R. Litzinger are Republicans talked of for state's attorney.

George L. Schein, the well known lawyer, who numbers his friends by the thousand, would make a fine judge. Mr. Schein has no ambition in this direction. It is said, but his ability, fairness and legal experience well fit him for judicial honors.

W. B. Carlile is giving general satisfaction as postmaster of Chicago. His successful handling of this great and important office reflects great credit upon the national administration. The public is well satisfied and Mr. Carlile's ability and courtesy have won for himself and President Wilson many words of commendation.

One of the most interesting stores in the city to visit is that of Karl Mayer & Company, in the North American building, 36 South State street. Men go there for service dental and shaving creams, and women for the prize baby soap and a grand line of toilet articles.

## SWEITZER CALENDAR

Here is a taxpayers' calendar for taxpayers compiled by County Clerk Robert M. Sweitzer.

In brief it is as follows:

May 1—Interest at 1 per cent added to delinquent taxes.

July term—Application for judgment and order of sale of property of delinquent taxpayers.

July 1—Objections to judgments in writing received.

Aug. 1—Tax sale of real estate begins.

Penalty for redemption tax sales may be as high as 6 per cent, added to taxes or assessments each six months after sale. Property may be redeemed any time within two years after sale at office of county clerk.

John W. Eckhart, the merchant miller, is not only a leader in the commercial life of Chicago, but he is a leader in its political life as well. Members of the Ironworks Club are never tired of telling of how much Mr. Eckhart has done towards the building up of that organization and his work for the success of the Democratic party in National and local elections has been effective and great and has contributed much towards bringing victory to the Democratic standards.

Jacob Levy, the well known Twenty-first ward Democratic leader, would make a good county commissioner.

Walter E. Allen, vice-president and general manager of the Universal Electric Washer Company, is one of the most respected business men in Chicago. He is progressive, active and popular and is one of the young Chicagoans who is making the city greater.

The Chicago Association of Commerce is doing great work for Chicago.

William G. Keith, commissioner of the Bureau of Gas and Electricity, is a popular and painstaking public official and the good record he is making is pleasing the citizens of Chicago. He is a practical electrician and the people are all with him in his successful efforts to improve the efficiency of the important department he is at the head of.

Chicago people are doing pretty well in the way of boosting the town at home. Patronize home industries. That is "boost" enough.

Thousands of Chicago soldier boys need jobs. What's the matter with giving them places in the City Hall. Some of the barnacles have been there too long. They think the city belongs to them.

## ABOLISH THIS JOB

The Department of Public Service is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished.

It is an unnecessary nest of sinecures.

The biggest sinecure in it is the job of commissioner.

A visit to his office may disclose this fact.

This department cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Let us laugh.

Everybody knows what a joke this department is and how little it does.

Adam Wolf, the popular county assessor, is an ideal public official.

H. H. Merrick is one of the leaders in the civic life of Chicago. As president of the Association of Commerce he has done great work for the city, its present and future. Mr. Merrick is president of the Great Lakes Trust Company, Chicago's new big bank, which started in with a capital of \$3,000,000, and a surplus of \$600,000. All of the stock was oversubscribed for.

Judge George B. Holmes is gratifying his many friends with the fine record he is making on the Municipal court bench.

Judge Frank Johnston, Jr., is making a fine record on the Circuit Court bench.

J. W. Deer, the popular president of the American Sewer and Drainage Construction Co., at 2816 N. Washburn avenue, is one of the progressive men of Chicago. Always interested in the city's welfare, he is a booster of its interests and is always at the fore front of every movement for bettering the condition of his fellow citizens.

E. A. Wangersheim, President of the General Lighting Fixture Co., with offices at 28 West Lake street, is one of the most popular business men in Chicago. He is a booster and is always interested in every movement to better the city.
